

As part of
Sri Sathya Sai Centenary Celebrations

SRI SATHYA SAI INSTITUTE OF HIGHER LEARNING

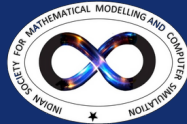

(Deemed to be University)

Presents

VIRTUAL POPULAR SCIENCE TALK SERIES

FEBRUARY - OCTOBER, 2025

In Collaboration with

Indian Society for Mathematical Modeling and
Computer Simulation (ISMMACS)

SPEAKERS

- Prof. Peeyush Chandra, Professor (Retd), IIT Kanpur
- Prof. Joydip Dhar, Professor, ABV-IIIITM, Gwalior
- Prof. Arni S Rao, Medical College of Georgia, Augusta, USA
- Prof. Ashok Srinivasan, University of West Florida, USA
- Prof. Rani Madhavapeddi Patel, Devry University, USA
- Prof. O. P. Misra, Professor, Jivaji University, Gwalior
- Prof. Balram Dubey, Professor, BITS Pilani, Pilani
- Dr. Vivek Tiwari, IISER BPR, Berhampur
- Dr. Rajnish Mallick, IIIT DM Kancheepuram

Topics

- Mathematical Ecology and Epidemiology
- Data Analytics
- Biology and Bioinformatics
- Food and Nutritional Science

Organizing Committee

- Dr. D. K. K. Vamsi, CEMB-SSSIHL
- Dr. Santanu Bhattacharya, DMACS-SSSIHL
- Dr. Abhijith Ajayakumar, DMACS-SSSIHL
- Dr. (Mrs.) Ramya E. M., DBIO-SSSIHL
- Dr. (Mrs.) A. Sumana, DFNS-SSSIHL
- Dr. Prashant Srivastava, Joint Secretary, ISMMACS

REGSITER HERE
FOR FREE

We invite Students,
Doctoral & Post
Doctoral Researchers,
Faculty & Industry
Professionals to join
the talk series

Note

- Participants need to register only once for the entire series
- Talks will be organized on first Saturday of every month through MS-Teams Platform
- Last date for registartion is February 7th, 2025

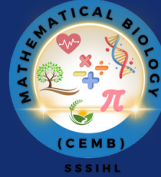

SRI SATHYA SAI INSTITUTE OF HIGHER LEARNING

(Deemed to be University)

The Series is an Initiative of the

CENTRE FOR EXCELLENCE

Centre for Excellence in Mathematical Biology
(CEMB)

Along with the Departments of:

Mathematics and Computer Science (DMACS),
Biosciences (DBIO), and Food & Nutritional Sciences (DFNS), SSSIHL
